CO. BLOOD BANK NAMES OFFICERS AT MEETING FRI.

Blood Drawing Slated June 16 Is Postponed

The Hancock County Blood Bank at a meeting held at the American Legion Home June 4, elected new officers for the coming year which starts July 1.

Elected were George E. Heistmann, chairman; Mrs. James L. Pfeiffer, vice chairman; Mrs. Mabel Green, secretary; J. O. Normand, treasurer; and Joseph H. Benvenutti, legal adviser.

Delegates named to the Blood Bank from the Chamber of Commerce were Mrs. Mabel Green, Russell W. Chapman and Fred Herlihy. Other delegates named were Alden Mauffray from the Rotary Club, Mrs. Rene Bernard and Mrs. Randolph Bourgeois Jr. from the American Legion Auxiliary and Frank M. Rapier and Charles F. Gottschalk from the Holy Name Society.

Chairman Rutherford said that 111 units of blood had been given by local donors for the use of local people since the start of the Blood Bank program last fall.

Typing of blood is being continued at the office of Dr. Sewell, according to Rutherford.

The projected blood drawing at the Youth Center has been postponed. "This is due to the fact that Ochsner Foundation Hospital is being moved to a new location in New Orleans, thereby causing a week's delay in the blood drawing in Bay St. Louis," Rutherford said.

New date of the blood drawing is Wednesday, June 23, from 4 to 8 p.m. at the Youth Center. It is hoped that the response of Bay St. Louis and Hancock County donors will be such that only one drawing will be necessary for this year.

The blood will be credited to the Hancock County Blood Bank for the use of local people wherever needed. The only charge made by Foundation Hospital for the service is one unit out of twenty-five.

Next meeting of the Blood Bank Group will be held at the Legion Home at 8 p.m. Thursday, June 17. Members from all organizations are urged to attend this meeting to assist in planning the public blood drawing the following week.

Fire Department Nips Beach Blaze

Speedy action Friday morning by the fire department avoided a possible holocaust on the beach front.

Answering the alarm the fire engine quickly extinguished a blaze that had started from an unknown origin in trash that was piled behind an unoccupied building owned by Alden Mauffray. The building is located next to the business owned by Leland Lee.

High winds were blowing at the time, and if the fire had gained any headway the wooden structures of the adjoining buildings easily could have become tinder for the flames.

To Award 1954 Ford Custom 4-Door Sedan And Cash Prizes In Vast Circulation Drive

BY ROYCE & ERA CROW
Contest Editors

The HANCOCK COUNTY EAGLE takes great pride in announcing the inauguration of a unique method of placing within easy reach of its many readers and potential subscribers an opportunity to earn for themselves awards amounting to thousands of dollars in prizes.

This great prize giving event gets underway TODAY as the HANCOCK COUNTY EAGLE announces a 7½ week subscription contest with the most interesting and attractive prizes being offered to those participating.

A 1954 Ford V8 Custom two-tone 4 door sedan, equipped with Fordomatic drive, tinted glass, heater, defroster, radio, clock, directional signals, windshield washers, cigarette lighter and white sidewall tires, worth \$2,721.30, and \$750 cash are to be awarded the top two contestants at the close of the contest Saturday, August 7.

These two prizes alone should be sufficient reason for those interested to enter the contest quickly. BUT, to make things all the more attractive, four big cash bonus awards will go to the third, fourth, fifth and sixth place winning contestants.

Nor is that all! A veritable shower of money in the form of special prizes and weekly commission pay-checks are being offered to ANYONE in this area who is willing to cooperate with the EAGLE in this short program.

PURPOSE IS TWO-FOLD

Although the EAGLE already enjoys an ever going circulation throughout this area, it nevertheless wishes to add to its lists quickly, and at the same time give present readers the opportunity to renew their subscriptions by helping a friend or relative who participates in the contest.

Also, through the contest, the EAGLE offers a real opportunity to any energetic citizen of this area to earn valuable prizes and commissions during spare time.

"EVERYBODY WINS" SLOGAN

One of the outstanding features of this unique contest is the fact that there will be NO LOSERS! A cash commission of 20 per cent (one dollar out of every five collected) on either new or renewal subscriptions, will be paid at the end of each week to ALL active contestants.

The winners of the first and second prizes are to consider their weekly pay checks in the light of an "advance," which are returnable upon presentation of prize, thus obviating double compensation.

This does not apply to bonus check winners or to other contestants outside the award list.

This is in accordance with the plan more fully outlined in the double page announcement in this issue.

This contest is neither a "lucky drawing" nor a "something for nothing" affair. It is a business proposition pure and simple. Its object is to further expand the growing list of subscribers to the HANCOCK COUNTY EAGLE; to advertise the 1954 Ford V8 Custom 4-door sedan supplied by Bay Motors, Inc., your local dealer for Ford cars and trucks;

and to open a way for our friends and readers in this area to profit mightily through whatever spare time they might have during the next few weeks. So the plan works to the ultimate benefit of all concerned.

EAGLE EASY TO SELL

One of the easiest things to sell in Bay St. Louis and surrounding areas at this time is the HANCOCK COUNTY EAGLE, excellent local news coverage together with clear cut, representative advertising display have placed the paper as the number one news representative of this rapidly developing area.

With the continual influx of new people in this area is a potential of literally thousands now residing here who would be glad to become regular subscribers if merely asked to do so.

CONTEST TO LAST 7½ WEEKS

This subscription drive will not be a long drawn-out affair of months duration, but will extend over a period of only 7½ weeks. Just think of being able to acquire for your very own, in this area who is willing to cooperate with the EAGLE in this short program.

The first step toward IMMEDIATE benefits and ultimate success is to clip the Entry Blank and Free Coupon appearing on the front page (good only during FIRST week of contest) which is worth 100,000 premium votes for prompt action when accompanied by the very first subscription you obtain—new or renewal—you're off to a flying start with a really substantial number of votes toward winning one or more of the big prizes offered.

Here's a word of advice to those who want to make the most of this unusual opportunity. Although the contest does not officially start until next Tuesday morning, there's nothing to prevent ambitious ones who really want to win from starting out RIGHT NOW gathering the early and valuable subscriptions from among your friends, neighbors and acquaintances while the "getting is good." A word to the wise should be sufficient!

GIVE INFORMATION, ASSISTANCE

In order to give every contestant the fullest cooperation possible, a contest department has been opened up at the HANCOCK COUNTY EAGLE office, Court Street, where the contest editors will help you in every legitimate way with advice and suggestions regarding how best to go about winning the prize you most desire.

Contestants residing anywhere outside the City of Bay St. Louis limits have an equal opportunity in the big race for the grand awards and for a quick start.

For complete information on the contest, contact the contest managers by calling 265, or better still, stop in at the contest headquarters.

Manhunt Follows Stabbing, Looting Last Friday Night

A dramatic 30-minute manhunt last Friday followed the stabbing of a Bay St. Louis resident and the looting of several homes. Object of the search was Gerald Lewis, 32-year-old New Orleans Negro, who stabbed Tony Piazza with a letter opener during his frantic efforts to elude his pursuers.

Dr. Jesse Sewell entered his office about 9:30 p.m. and of his home. The Negro entered the surprised the Negro in the act of looting the place. The Negro ran out screen door, and without waking the back door and Dr. Sewell called sleeping man took his clothing that the sheriff, who, with Deputy Sam

Lewis then switched on the light in the bath and adjoining bedroom and proceeded to dress in Piazza's clothing. In the bedroom he found \$60, but overlooked a pair of trousers with \$150 in the pockets.

The lights awakened Piazza, who assumed his wife had returned and called to her. Receiving no answer he entered the house to investigate.

In the bedroom, Piazza noticed the closet door ajar, and peering inside saw the Negro crouched behind some garment bags. Piazza attempted to slam the door shut, but the Negro burst from the closet, knocking Piazza down. The Negro stabbed Piazza in the right shoulder with a letter opener he had picked up in Dr. Sewell's office and fled from the house.

Attracted by Piazza's shouts, Sheriff Egloff and Deputy Peterson, who were searching adjoining Carroll Ave., raced to the scene.

The Negro dashed across the rear yard of the Fred Herlihy home with Piazza, bleeding profusely, in close pursuit. The Negro swerved and fled through the side yard of the Kiefer home, raced across Carroll Ave. and through the Kergosien yard, where he disappeared in the darkness and heavy shrubbery.

By that time the City Police had been called into action. A fairly accurate description of the marauder had been given by Piazza, who meanwhile had been taken to King's Daughters Hospital for treatment.

Piazza's wound, while painful, was found to be not serious.

Law enforcement officials and local citizens, some of them armed with meat cleavers and clubs, formed searching parties and branched out in all directions.

Within 30 minutes after Piazza was

stabbed, the Negro was found hiding in the darkened back yard of Teddo Thomas' service station on Uman and Second Sts. by Deputy Sam Peterson, Raymond Schindler and Herman Meyer.

Lewis was taken to the hospital, where Piazza positively identified the Negro as his assailant. The Negro was garbed in clothing belonging to the stabbed man, and when captured still had the bloody knife in his possession.

The Negro, which had been stolen from the office of Dr. Sewell and Smith, was a letter opener made by Dr. Smith's son from a captured Japanese bayonet during World War II.

The same evening, a Negro woman was discovered cut and bruised and confined at the bus station. Subsequent investigation disclosed that she and Lewis had come to Bay St. Louis Friday afternoon from New Orleans, and had been involved in a brawl in one of the Negro clubs. The woman, reportedly Lewis' common-law wife, had gone to the station to return to New Orleans.

The woman was arrested, and an unsuccessful search made for two brought the woman and Lewis here in a car.

The woman gave her name as Eunice Bryant. It was believed that the other two Negroes had returned to New Orleans when the brawl between Lewis and the Bryant woman occurred.

A preliminary hearing was held Monday at the Courthouse. Lewis was bound over to the Grand Jury, with trial scheduled for September. He was placed under \$15,000 and \$10,000 bond.

The Bryant woman was found guilty of fighting and disturbing the peace. She was fined \$50 and costs.

Both Negroes are in the county jail.

HONORED AT TEA

Miss Virginia Seal, bride-elect of this month, was feted Tuesday afternoon at a tea at the home of Miss Clara Kergosien on Carroll Ave.

Entertaining with Miss Kergosien were Mrs. Horace Kergosien and Mrs. Roger Boh Sr.

Alternating at the tea table during the reception hours were Mrs. Jesse Sewell, Mrs. Wm. Pittman, Mrs. E. C. Porter Jr., Mrs. John C. Ellis Jr., Mrs. Walter James Phillips and Mrs. M. A. Phillips Jr. Tea girls were Misses June Breth, Karen Kergosien, Kinta Kergosien and Linda and Darling Normand. Mrs. Jamer Morlan assisted the hostesses.

An unusual table decoration added a distinctive note to the large party to which more than two hundred guests were invited.

The long dining table held dolls dressed to represent the bride and her attendants. The bride was a beautiful creation in white nylon tulle, with veiled and embroidered front panel of the dress. The matron of honor... dressed in white nylon tulle, and the bridesmaids in yellow tulle. Old fashioned bouquets of dainty white flowers were arranged... silver holders forming standards at either end of the bridal party.

The dolls carried bouquets to match their gowns and wore garlands of tiny flowers interwoven with English ivy leaves.

Silver tea services were at both ends of the table. A wedding bell suspended from the chandelier was filled with white flowers and had streamers of white satin ribbons.

A silver punch bowl holding an exquisite floral arrangement was placed on the buffet and was flanked with silver candelabra holding lighted tapers. The yellow and white color scheme was carried out in the petit fours and mints.

BAY LWV TO HOLD GENERAL MEETING

The League of Women Voters of Bay St. Louis will hold a general meeting at 3:30 p.m. Tuesday, June 15 at the home of Mrs. Paul Gaudet. Purpose of the meeting is to discuss and take a stand on the public school system in Mississippi in view of legislation discussed following the rendering of the Supreme Court's decision outlawing segregation.

Following the general meeting a tea will be held inaugurating the membership drive. It is hoped that every member of the League will attend, and have as her guest one or more non-members.

The League has organized a council of the four Coast leagues. This council will try to develop other Leagues in Coast counties and will meet from time to time to discuss problems which deal specifically with the Coast. The council met last week to consider the Causeway Bill and appointed a committee to keep up with reports of the engineers as they come in, so as to be properly informed when and if the bill comes up for a popular vote.

Mrs. Paul Miller, Voters Service, and Mrs. E. C. Samuel, substitution for Mrs. Paul Gaudet, president, attended the meeting, which was held in Gulfport.

"Everybody Wins"

Rules and Regulations

1. Any reputable resident of this city or surrounding territory is eligible to enter the contest and compete for prizes and receive weekly commission checks.
2. No salaried office employee of this newspaper is eligible to enter contest. This does not apply to country correspondents.
3. Winners of main prizes will be determined by (a) their earned votes, said votes being represented by ballots issued for bona fide new and renewal subscriptions, and (b) free coupons clipped from this newspaper—said coupons to be printed in this and our next three issues in denomination of 100 votes each this and next week; 50 votes each the third week, 10 votes each the fourth week and then discontinued. No more than ten coupons of each denomination will be credited to any one contestant.
4. Participants in this subscription drive are not confined to their own town or community in which to secure new or renewal subscriptions, but may take orders anywhere in this section; or, for that matter, anywhere else.
5. Votes are issued free. It costs the subscriber nothing extra to cast their votes for any contestant. Votes must be asked for at the time of payment subscription, however, otherwise subscriber waives this privilege.
6. Votes once issued are not transferable. Contestants cannot pool their votes in favor of another contestant. Should a contestant withdraw from the race, his or her accumulated votes will be cancelled.
7. Any dishonesty or collusion on the part of contestants to nullify competition, or any other combination formed to the detriment of other participants or this newspaper will not be tolerated.
8. Exact vote standing of each contestant will be published in this newspaper in proportion to earned votes; however, votes issued in the form of ballots, or special votes therefor, may be held in reserve by contestant only insofar as it does not affect position in published standing. The free vote coupons, clipped from this newspaper, must be cast within one week of publication.
9. In event of a tie for any one of the prizes offered, an award of identical value will be given each tying contestant.
10. Participants in this drive are authorized to accept new and renewal subscriptions and give temporary receipts for same (official receipt will be sent direct from this office) but it is understood and agreed that they will be responsible for all money collected and will remit such amounts in full to the contest department on regular report days.
11. No statements or promises made by any representative or participant varying from the rules and regulations appearing in the column of this newspaper will be recognized by the publisher.
12. In case of typographical or other error it is understood that neither the publisher nor contest manager shall be held responsible except to make necessary correction upon discovery of same.
13. All active participants will be paid twenty percent cash commission (\$1 out of \$5) of their individual subscription collections each week as it accrues. It is to be understood, however, that in the event any contestant becomes inactive (failing to make weekly reports) his or her name will be removed from the published list of contestants until such time as participant again becomes active.
14. It is understood and agreed that the winners of first and second prizes will consider their weekly pay checks in the light of an "advance," which are returnable upon presentation of prize—thus obviating double compensation. This does not apply to third, fourth, fifth and sixth bonus check winners.
15. To insure absolute fairness in the awarding of prizes, the race will be brought to a close with a sealed ballot box. During the entire last "period" of the drive, a ballot box—locked and officially sealed—will be placed in the vaults of a local bank, where contestants themselves may deposit their final collections and reserve votes in utmost secrecy. In this way no one—not even the publisher or contest manager—can possibly know the actual strength of the various participants, which precludes any possibility of favoritism and insures fairness to the minutest degree.
16. Twenty-five thousand extra votes will be given contestants for each 5-year subscription (or extension from previous contest subscription payment to 5-years) turned in by them during their first week in contest, and during third week of the drive half as many special extra votes will be issued on same basis.
17. Any subscription once turned in can be extended during either first or second "period" by making extension payment, and remainder of votes will be issued thereon same as if full amount had been paid at the very beginning.
18. Any contestant who earns as much as \$50 in commissions during their first week of the drive, will receive an extra bonus of \$25 cash in addition to regular commissions earned or any other special prize won.
19. Ten thousand free "report day" votes will be given participants making a subscription report on Tuesdays, Thursdays and Saturdays during drive.
20. This newspaper guarantees fair and impartial treatment to all participants, but should any question arise, the decision of the Advisory Board will be absolute and final.
21. In becoming a member of this "Everybody Wins" prize subscription drive contestants agree to abide by above condition.

FAIRNESS ASSURED

Advisory Board—It is the sincere aim of this newspaper to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in all dealing is guaranteed. However, not all wisdom lies with any one man or institution, and for that reason an Advisory Board has been decided upon, whose functions shall be to decide any questions of sufficient moment that might happen to arise, and from which a committee shall be selected to act as judges and award the prize.

LAMBERT BOYD JR., Pres. Chamber of Commerce; FRED HERLIHY, Postmaster; JOE B. HURROW, Cashier, Merchants Bank; A. C. MITCHELL, Clerk of Courts; T. T. ROBIN, Owner, Globe Laundry.

All of these gentlemen are well known to everyone in this vicinity and the final results, as given out by them, will be beyond dispute.

Miles and Miles of Wire To bring Mississippi Farm Families Closer Together

THE TELEPHONE WIRES that join the towns and rural areas served by Southern Bell in Mississippi would stretch around the world... And we're adding many more miles as we push steadily ahead on a construction program to bring telephone service within reach of more and more farm homes and business establishments in the areas we serve.

Already there are four and a half times as many Southern Bell rural telephones in Mississippi as there were just eight years ago and, in spite of inflated costs of everything that goes into telephone construction, we're continuing to push still more rural lines out to the farms.

'Everybody Wins' Contest

Last April the Hancock County Eagle contracted the Luner Circulation Service, a national service to build its subscription list, whereby it will be beneficial to readers, advertisers and all concerned.

It gives me great pleasure to introduce to you Mr. and Mrs. Royce Crow, who have had a number of years experience to conduct this campaign.

This concern will appreciate the people of our community giving these folks their wholehearted cooperation.

You will find their announcement in a double page spread in the center of this issue and a story in detail on the front page.

from Kiln went on to defeat the Bay team for the first time in two years.

The Seniors scored in the first inning as Bell's bunt single put him on first and he stole second and third, with the throw to third going wild he came in to give the Seniors a 1-0 lead.

The Seniors again scored in the second inning as a walk, error and single by Seth Crippen loaded the bases and Bell was walked to walk in the Seniors' second and last run.

The Youth Center team scored in the last of the second on two walks and an error, and failed in the third to push across three runs.

In that inning Lott walked with the bases full and John Banks doubled to right field.

Trailing 4-2, the Seniors blew their chance to tie in the fifth when Aime got on with an infield single. He was thrown out at third on Bell's hit to center, and Bell was put out at first try to advance on the same play.

In the seven inning contest only eight hits were allowed in the pitching duel between Russell Mitchell and Larry Mathis.

Tonight the Kiln Youth Center will journey to Biloxi where they will meet the Biloxi American Legion team.

WAVELAND WANDERINGS

BY GEORGETTE HALL

Miss Patricia Bourgeois, daughter of Mr. and Mrs. Ducre Bourgeois of Waveland, was one of a group of 4-H Club members who left Monday for a four-day trip to State College.

Barber, club director, accompanied the group.

Young David Goldberg of New Orleans is spending a week with J. D. Bourgeois, son of Mr. and Mrs. Ducre Bourgeois.

Misses Cecile and Mary Margaret Turcotte left Monday for Hattiesburg where they will enroll at Mississippi Southern College for summer classes.

Mrs. Norman Hall leaves for New Orleans Friday where she will enroll at Loyola University for 6 weeks.

Misses Turcotte teach at Waveland School, and Mrs. Hall is librarian at Bay High School.

Wesley Bourgeois, Miss Yvonne Courmet and Mr. and Mrs. Morris Bourgeois were guests Sunday of Mr. and Mrs. Alfred Bourgeois.

Mr. and Mrs. Ed Sierest and son of New Orleans spent the week end in Waveland as guests of Mr. and Mrs. Guy Drew and Mr. and Mrs. Alfred Bourgeois.

There has been a change in the hours of worship at the Waveland Baptist Church. New hours are as follows: Sunday School, 10 a.m.; worship 11 a.m.; BTU 6:30 p.m.; and evening worship, 7:30 p.m. Wednesday evening prayer meeting will still be held at 7:30 p.m. Brother O. B. Anderson will be in charge until further notice.

Mr. and Mrs. Ed Gipson, Beach Blvd., have been among the busiest folks in Waveland this week. They have had a "house full" of company. On Sunday they had with them the following friends and relatives: Mr. and Mrs. James McCall and daughter, Kay, of Pontchartroula, La.; Mr. and Mrs. Sunny Ellenberger and children, of Hammond, La.; Mr. and Mrs. Sam Celino, of New Orleans; Mrs. Olivia Bond and sons, Mr. Frank Gipson and son, Mickey, and Mr. and Mrs. L. J. Martello and daughters, all of New Orleans.

During the week guests of the Gipsons were Mr. and Mrs. Perry McCall and son Memphis, Tennessee; Mrs. Alice McCall and Mr. and Mrs. E. McLaurin and children, of Pontchartroula, La.; Mr. and Mrs. V. J. Main Sr., Covington, La.; Mr. and Mrs. Bill Mann, Slidell, La.; Mr. and Mrs. John Huff and daughter, Marlene, and Mrs. Sam Celino, of New Orleans.

The home of Mrs. W. M. Bozeman on Railroad Ave. was the scene of a party last Thursday evening. Mrs. Jewell Miller was in charge. All of the ladies enjoyed the display and the refreshments. Those present were Mesdames T. Bozeman, Diesbeck, Dabney,

W. M. Bozeman and Henchy.

Mr. and Mrs. Joseph Albe and children are spending their vacation with Mr. and Mrs. Gerald Tucker in Waveland Ave.

Mr. and Mrs. Al Landers are spending a vacation in California and other parts of the West Coast.

Mr. and Mrs. George Digby and children are on an extended vacation. Mr. Digby is scouting for the Boston Red Sox.

Mr. and Mrs. W. M. Bozeman and Miss Patsy Bozeman, daughter of Mr. and Mrs. Travis Bozeman, left by plane Tuesday for Los Angeles, Calif. They will be guests of Mrs. Bozeman's brother while in California. Patsy promised her young friends to visit the fabulous new home of Liberace while in Hollywood. You can bet she'll be a popular young miss among her friends when she returns with first hand information.

Mr. and Mrs. Archie Gpurrege of New Orleans and Lakeshore are hospitalized in Touro Infirmary in New Orleans as a result of an automobile accident which occurred last week at the site of the new Bay Bridge.

Their three small children were in the car with them at the time of the accident but were unhurt.

A group of youngsters chaperoned by Miss Betty Younger of the "Lazy Y Stables" had quite an unusual outing on Sunday. The group left the Lazy Y at three in the afternoon on horseback and rode until they reached

PERRY NAMED

(Continued from Page 1)

The Boys' Nation program includes visits to the White House, the Pentagon, the State Department, the Federal Bureau of Investigation, the Supreme Court, the US Naval Academy and to many of the historic shrines in the area.

The boys will be organized into a Boys' Nation Senate and will act on several bills which they will have had an opportunity to study prior to leaving for Washington.

Other highlights of the last full day of the 1954 American Legion Boys' State were a mock trial and the Governor's Ball which was held from eight through eleven p.m. in the Victory Room of the Hotel Heidelberg.

The new sand beach near the Bay Bridge Swimming was in order at once and the group plunged in—even the horses!

Miss Younger reported that the horses enjoyed the dip almost as much as the riders. The party then rode cut to Brelard's Barn on Highway 90 where the entire group enjoyed a watermelon party with the inevitable result—a watermelon fight!

The party ended about 9:30 p.m. when the equestrians reached the stables and bid goodbye to their very weary mounts. Miss Younger said that everyone had such a good time they plan to repeat the fun sometime soon.

Mr. and Mrs. Robert Ellis of Laurel have returned home after spending a few days with Mrs. Hilda Erwin and Mr. and Mrs. Fred Rose and children.
